# What is a Sobering Center?

Sobering Centers are public facilities where citizens can safely recover from acute intoxication; offering a safe place for high risk substance users to sober.

Sobering Centers are often utilized as an alternative to jail and emergency rooms.

# What's the Mission of the Austin Sobering Center?

The mission of Austin Travis County Sobriety Center is to enhance public health and public safety by providing an alternative to the emergency room and jail for publicly intoxicated individuals to sober up and, where appropriate, provide a safe environment to initiate recovery.
